

I AM CJIES TAN /
**MAKE SIMPLE
BUT MORE.**

I AM CJIES TAN / HELLO WORLD

I am a Front-End Engineer from Malaysia and now working at Taipei, Taiwan.
And I also a Web Designer and EDM lover.

I love to make things simple. All I require is a pencil, a book, and a computer
to occupy me all day. Ya! Of course, and a coffee too.
MAKE SIMPLE BUT MORE.

Nice to meet you & HAPPY CODING :D
